OBSTACLE DESCRIPTIONS

Sandpit – Competitors are to race running forward facing through the sand and run in the middle of the sandpit until obstacle is completed.

Hay Stack – There are to be two (2) hay bales lined up and joined by the end of each hay bale touching each other. Competitors are to approach the hay bales, while carrying the wife, at a safe pace, and slowly utilise the obstacle by placing one leg over the hay stack followed by the other leg for completion.

Tyre Run – there will be 6 tyres laid on the ground (three tyres on the right hand side and three tyres on the left hand side joined together in the centre), competitors are to approach the tyres, slow down and walk through the tyres placing right foot than left foot in the centre of the tyres until all tyres have been utilised.

Hurdle – To complete the hurdle obstacle, the husband needs to approach the hurdle still carrying the wife at a safe pace, and slowly utilise the obstacle by placing one leg over the hurdle followed by the other leg for completion.

Limbo Bar - competitors are to approach the limbo bar proceeding to walk under the overhead bar without making contact. This may result in a competitor having to lower themselves under the bar to compete the obstacle.

See-Saw – competitors must approach the see-saw at a safe pace placing one foot on the see-saw to gain balance and walk one foot after the other in the centre of the see-saw until the obstacle is completed.

Pool – On approaching the pool competitors must dismount at the start of the pool and dive or walk into the pool individually. On swimming to the end of the pool, competitors must walk out of the pool one foot after the other. On exiting the pool competitors must come to a complete stop, the husband is to lift the wife back into the carrying position before they can progress any further in the Event.
