AAA Halter Showing Rules

The Showing Rules Manual of the Australian Alpaca Association (AAA) has been prepared by the AAA's Showing and Judging Committee and defines the rules and regulations applying to the activity of showing alpacas. Where relevant, and not specifically in conflict with the contents of this handbook, those rules and regulations apply equally to the conduct of a YPC, and it is therefore recommended that all those engaged within the activity of a YPC be familiar with its contents. In general terms, however, the YPC falls under the governance of the AAA, and reports to the Board through the AYE Committee made up of state representatives.

Showing Rules:

Each person entering the Showground does so at their own risk and is responsible for property, animals, and children. The Australian Alpaca Association accepts no responsibility what-so-ever.

MEDIA EXPOSURE

The Competitor permits the event organisers or its sponsors and any other interested third party to use their appearance, name, voice, and likeness obtained by the event organisers from their involvement in the event in any or all manner and media. The Competitor waives any right they may have to inspect or approve any finished product that may be used in connection therewith or the use to which it is applied.

Companion animals and dogs:

Special permission to bring a companion alpaca must be obtained from the Convenor prior to submission of the entry form, otherwise no companion alpacas will be permitted.
